## BuildersChoice Stone™ products meet AC51 criteria for precast stone veneer.

BuildersChoice Stone™ has been tested by independent laboratories in accordance with the ICC-ES Acceptance Criteria for Precast Stone Veneer (AC51). It complies with 2012 International Building Code and 2012 International Residential Code. It has been approved as an exterior and an interior finish and shows zero flame spread and zero smoke spread, as tested in accordance with ASTM E84.

BuildersChoice Stone™ has been evaluated and approved by the International Code Council (ICC-ES) for its intended use and has been issued an ICC-ES Evaluation Report ESR-3339. The full report is available at [www.BuildersChoiceStone.com](http://www.BuildersChoiceStone.com) and [www.ICC-ES.org](http://www.ICC-ES.org).

BuildersChoice Stone™ products carry a 50-year limited warranty when used on structures that conform to local building codes and when installed in accordance with the manufacturer's instructions. Warranty is limited to repair or replacement of materials only and does not cover labor. The full warranty is available at [www.BuildersChoiceStone.com](http://www.BuildersChoiceStone.com)
